

The Perth and Smiths Falls District Hospital, is a progressive two site facility serving a catchment area of 44,000 residents of Perth, Smiths Falls and surrounding area. We are a fully accredited Hospital delivering a broad range of primary and secondary services.

Casual Registered Pharmacy Technician

The Pharmacy Technician is Responsible for the receiving of a written prescription; reading a prescription; adjusting an order according to an approved policy (e.g. TIP); accurate computer entry and processing of patient drug orders; maintaining patient profiles; selecting the drug (i.e., determining product to dispense); non-sterile preparations of liquids and solid dosages; sterile preparation of medication dosage forms; repackaging medications into vials, syringes, etc.; labelling of finished products; care of supplies and equipment; final physical check for accuracy of finished product; and performing any tasks as defined by established procedures under the supervision of a Pharmacist.

Note: Pharmacy Technicians are defined within the Health Systems Improvement Act, 2007 (Bill 171) which enables the regulation of Pharmacy Technicians and for them to be responsible for their own actions while working under the supervision of a Pharmacist as per the OCP Standards of Practice for Registered Pharmacy Technicians.

Mandatory requirements:

- Regulated Pharmacy Technician registered and licensed with the Ontario College of Pharmacists
- Experience in the use of a Laminar Flow Hood as well as proficient in sterile preparation
