9. Action Items

9.1 Chief of Staff Report – Dr. T. Morell

The chief of Staff Report was included in the Board package.

9.2 Medical Staff Report

The Medical Staff Report was included in the Board package. Dr. Wahay was asked to bring back any recommendations or key information from the Mortality & Morbidity rounds to the Board Quality Committee,

Discussion ensued regarding informing the Board when articles are being released or any high-level communication pieces to keep Board Members apprised of what is going on.

B. Smith shared that 3-4% of the Emergency Department annual volume populates from areas outside of PDFDH catchment area.

10. New Business

10.1 Strategy Scorecard – Support and Empower our People

M. Cohen provided a PowerPoint presentation on Staff Satisfaction, which was included in the package. The results were conducted from the Global Workforce Survey that the staff completed earlier this year. M. Cohen reported that the overall staff satisfaction results have decreased slightly which might have been expected considering the survey was conducted during the Lumeo project.

M. Cohen shared that a Town Hall was recently held to apprise staff of what is in the works. As well, Senior Leadership rolled out Common Grounds, which is where SLT meets with departments to have informal conversations with everyone in the department over coffee and treats.

C. Langstaff inquired about reviewing the flow map of how the results were collected and/or dealt with for the following questions:

- My manager provides me with positive recognition for following correct << Patient>> safety procedures when an incident has occurred
- I am told about chances resulting from incident reports on my unit/team/work area
