MRI Funds

I am pleased to inform the PSFDH Board of Directors that the Foundation has issued a cheque in the amount of \$2,000,000 in support of the MRI Campaign. This significant transfer marks a major milestone in our shared effort to bring MRI services to our community and reflects the generous support of our donors and the continued commitment of the Foundation to advancing hospital priorities.

Nominating Committee

A total of 6 applications were received. Four candidates were identified to be interviewed. A panel comprised of Kristine as Board Chair plus Rob Garvin, Rosslyn Dowell and Margot Hallam held interviews March 13th. The goal is to bring nominations to the April Board meeting such that the successful candidates can participate in our strategic planning session on April 25th.

Strategic Planning Session

A facilitator has been engaged to lead our strategic planning discussions on April 25th; Dwaine Praught of ValueInfusion. He has significant experience in working with not-for-profit organizations in developing strategic plans that are understandable, measurable and actionable. We will develop both a long-term vision and a shorter-term plan of how we get there.

Trees of Care Fundraiser

Trees of Care is a festive, community-focused event presented by the Perth & Smiths Falls District Hospital Foundation.

The event features sponsored, decorated trees displayed by local businesses and offers a range of family-friendly activities, including visits with Santa Claus, children's programming, horse-drawn sleigh rides, and refreshments. Attendees also have the opportunity to participate in raffles for a chance to win the featured trees and associated prizes.
