

Medical Staff Association Report to the Board – March 2026

1. **Mortality and Morbidity Rounds** (MM Rounds) will be held on April 15, 2026, from 4:30 to 6:30. This allows for an opportunity to discuss complex/difficult cases from our hospital in a non-judgmental environment for the purpose of education and improving patient care.
2. Congratulations to Dr. Setterfield and his wife who welcomed a baby boy and to Dr. Bonin and her husband who welcomed a baby girl this past month.
3. Our next meeting is March 26, 2026.
