Lanark County Mental Health (LCMH), sponsored by the Perth and Smiths Falls District Hospital, serves as the lead community-based mental health agency responding to Lanark County adults and transitional aged youth. We believe in a client-centered approach to support the individual in a recovery model to promote optimal health and well-being. There is currently an exciting opportunity for a Community Mental Health Registered Nurse to join the Lanark County Mental Health team.

### **DUTIES AND RESPONSIBILITIES:**

- Work as part of an interdisciplinary Crisis and/or Community-Based Treatment team that includes psychiatrists, social workers, community mental health nurses, case managers, social rehabilitation, and court diversion workers.
- Provide comprehensive mental health assessments and interventions for individuals referred from local emergency departments, police services, family physicians, families or self-referrals for persons experiencing crisis or mental health concerns.
- Assist LCMH Psychiatrists through monitoring clients' symptoms / medication; communicating with other care providers, including tertiary care; and through providing psychoeducation, adjunctive therapy/treatment.
- Demonstrate professional conduct, flexibility and accessibility in response to requested mental health services in a variety of settings including hospital and community-based settings as required.
- Provide intake and crisis support services, in-service training, educational presentations for community, health, social service, and other related organizations.
- Maintain active clinical caseload of referred clients in providing stabilization and crisis response.
- Provide a wide range of community resources and referrals to other programs to meet client needs.
- Complete all data collection and case records as required
- Participate in on-going professional development, regular clinical supervision, clinical and administrative team meetings, work groups and committees as required
- Other related duties/responsibilities as assigned

## REQUIREMENTS:

- Certificate of competence and current registration as a Registered Nurse in Ontario.
- Post-secondary degree in nursing from a recognized university preferred.
- An acceptable combination of nursing education and related work experience in psychiatric nursing (3-5 years).
- Certified Psychiatric/Community Mental Health Nurse from CNA preferred.
- A wide range of crisis intervention experience, risk assessments and interventions that include hospital based psychiatric services, emergency department experience and community mental health services.
- Familiarity with rural settings, best practice models and mental health legislation.
- Demonstrated non-judgmental attitude and strong understanding of environmental / systemic issues impacting clients.
- Excellent interpersonal, communication, critical thinking and problem-solving skills.
- Availability of an automobile and a valid driver's license.
- Willingness and ability to travel and provide services throughout Lanark County
- Completion of a Vulnerable Person's Check.
