About Lanark County Mental Health:

Lanark County Mental Health (LCMH) is a dynamic community-based organization dedicated to supporting individuals facing mental health and substance use challenges within Lanark County. As an integral part of the Perth and Smiths Falls District Hospital, LCMH operates with a strong commitment to providing comprehensive care. Our organization is structured around a multidisciplinary approach, fostering collaboration among dedicated teams that deliver both community-based and crisis services. We are proud to embrace a Stepped Care framework, ensuring the provision of evidence-based interventions tailored to individual needs.

At LCMH, we uphold a set of core cultural values that underpin our work: trust, transparency, respect, and communication. These values serve as the foundation for all our interactions, promoting a supportive and inclusive environment for our staff and clients alike. With a clear vision for the future, our organization places strategic emphasis on the following key areas: Access, Service Expansion, Partnerships, and System Integration. By prioritizing these aspects, we strive to continually enhance our services and contribute to a robust and integrated mental health ecosystem.

About the Position:

We are currently seeking a dedicated part-time Psychiatrist to be a valuable addition to our multidisciplinary team, which consists of a Nurse Practitioner, Community Mental Health Nurse, and administrative staff. In this vital role, you will take on the responsibility of assessing, stabilizing, and treating clients who are experiencing acute mental health issues. Your expertise and commitment will be essential in providing comprehensive care to those in need, contributing to their journey towards recovery and making a significant impact in our community. Collaborating closely with other healthcare professionals, you will play a key role in creating and implementing individualized treatment plans, while also contributing to the ongoing development and improvement of our mental health services. Join us in making a meaningful difference in the lives of those we serve.

Qualifications:

- Must possess an M.D. (Doctor of Medicine) degree from a recognized medical school.
- Valid Ontario CPSO license and be a trained psychiatrist with FRCPC or equivalent.
- Obtain and maintain privileges through Perth and Smiths Falls District Hospital.
