

**Role:**

The role of the Patient and Family Advisory Council (PFAC) at Perth and Smiths Falls District Hospital (PSFDH) is to identify current and future opportunities to improve the care experience for patients, family, caregivers and staff. By building a formal and structured partnership between Advisors and the organization, PSFDH will be able to better identify and integrate the patient care experience in its planning and activities.

**The Goal of the Council is to:**

- Ensure the perspectives of patients, family members and/or their caregivers are always considered and incorporated in organizational activities; and,
- Listen to and learn from patients, family members and/or their caregivers to embed the patient voice throughout the organization.

**Responsibilities:**

- To initiate, review, provide feedback and serve as a sounding board in an advisory capacity for initiatives and programs that enhance, ensure and embrace the philosophy of patient family-centered care at PSFDH;
- To be a collaborative, positive advocate for the enhancement of high-quality patient family-centered care at PSFDH;
- To advance patient family engagement and patient family-centered care principles and practices at PSFDH;
- To be a contributing and active member at our (10) scheduled meetings with an expectation of attendance of two-thirds annually;
- To contribute and provide feedback regarding tasks circulated outside of the regular meetings;
- To participate on hospital committees

**Accountability:**

The PFAC reports to the President and CEO, the VP of Clinical Services/CNE and the various hospital and board committees PFAC members sit on. The PFAC will maintain Council membership eligibility criteria and council expectations as outlined in Appendix B.

**Membership and Term (See Appendices A & B):**

PFAC will be comprised of between eight to ten (8-10) patients, family members of patients, and/or caregivers of patients who have received services from PSFDH. These members will act as Advisors to PSFDH. Members will be invited to join the Council by the Chair. PFAC will strive to have a diverse representation of the catchment area.

The term for PFAC members is two years, renewable by mutual consent for a maximum of three (3) terms (six years) upon review of participation collaboration by the PFAC council. A member's term may be extended beyond the three (3) terms (six years) at the discretion of the council and with consideration of current recruitment status.

PFAC will also include two to four (2-4) staff positions, ideally one staff member from the Smiths Falls Site and one staff member from the GWM Site. PFAC will also include two managers; the Manager of Professional Practice and the Manager of Privacy and Patient Relations.

If a member at any time feels they are unable to serve on PFAC, said member must communicate in writing to the Co-Chairs and an exit interview will be offered.

If at any time during the term, in the opinion of the Chair and Co-Chair, a member is not adhering to the goals, eligibility criteria and commitment expectations of the council, they will be asked to discontinue their involvement with the group.

**Membership Selection:**

Candidates must apply for PFAC membership. The application will be reviewed by the Co-Chairs and the interview team to determine eligibility. The successful candidate will then be asked to join the PFAC team.

**Chairs:**

- The Chair will be renewed and/or a new Chair will be appointed at the June PFAC meeting on an annual basis.
- The Co-Chair will be the VP of Clinical Services/CNE

**Meetings:**

Meetings are held at least 10 times a year. The meetings will be held in-person, when possible, or via zoom and/or teleconference. ADHOC Meetings will be scheduled at the call of the chair.

**Quorum:**

The meeting shall take place if there is 50% + 1 representation from the voting council members and the presence of one member of the Senior Management Team or his/her designate.

**Communication and Reporting:**

PFAC activities shall be reported to the various Committees PFAC members sit on – See Appendix C. The PFAC will produce and present an annual report at the Hospital's Annual General Meeting.
