

General Obstetrics – Gynecology

The [Perth and Smiths Falls District Hospital](#) (the “Hospital”) is a fully accredited acute care health care organization located on two state-of-the-art sites. The hospital is situated in Algonquin Territory in the heart of the Rideau Canal region and proudly provides health services to more than 75,000 people in the surrounding communities. The hospital delivers a broad range of acute and secondary services and programs such as emergency care, diagnostic imaging (CT and MRI services), obstetrics, general and specialty surgical services, dialysis as well as laboratory and infection control services.

The communities of Perth and Smiths Falls are situated about an hour's drive from Ottawa and Kingston, nestled alongside the Rideau Canal and the Rideau Lakes System. It's the ideal spot for both practice and play!
