Perth (GWM) Site

The Perth and Smiths Falls District Hospital (PSFDH) strives to be the hospital of choice for residents and is committed to excellence in a patient and family-centred care environment and to the promotion of wellness and health.

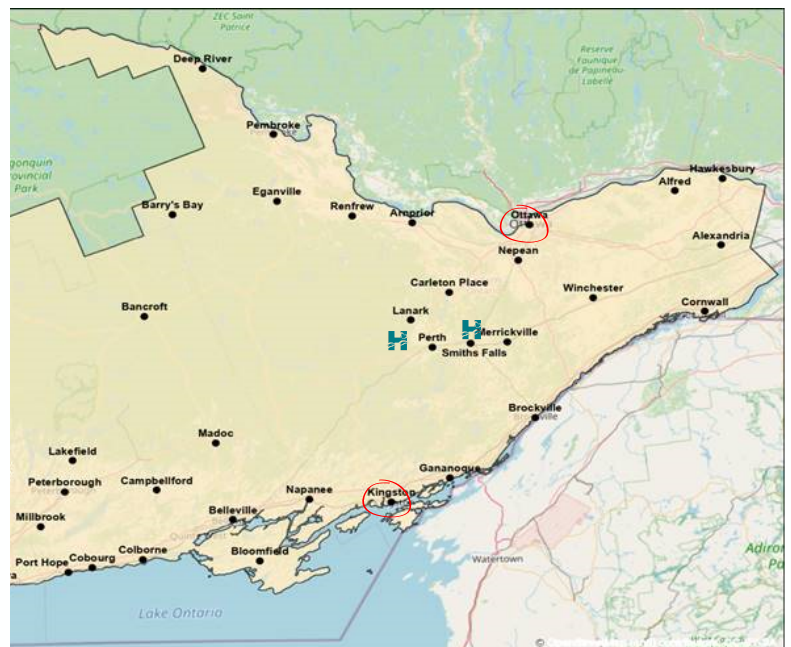

The PSFDH Team takes unwavering pride in its services and facilities and are dedicated to providing compassionate support and having uncompromising standards. At the same time, PSFDH personalizes, humanizes and demystifies the healthcare experience for patients and their families while using the latest in healthcare technology.

Complementing the PSFDH dedicated staff is the highly educated and skilled physicians who contribute significantly to the PSFDH's great reputation. These physicians have chosen to partner with PSFDH to ensure a commitment of excellence. PSFDH is also grateful for the daily support of the volunteers and auxiliaries.

### About **Our Hospital**

The Perth and Smiths Falls District Hospital (PSFDH) is a fully accredited acute care health care organization **located on two sites**. PSFDH is situated in the heart of the UNESCO Rideau Canal region and proudly provides health services to more than 60,000 people in the surrounding communities.

PSFDH delivers a broad range of primary and secondary services and programs such as emergency care, diagnostic imaging, obstetrics, general and specialty surgical services, dialysis, cancer care as well as laboratory and infection control services.
