"PSFDH offers the opportunity to practise rewarding emergency medicine while enjoying a balanced lifestyle in a welcoming community. With access to CT, MRI, and 24/7 X-ray and lab services, physicians are supported by strong diagnostic resources after hours. The supportive team environment, strong relationships, and collaborative culture make it an exceptional place to build a career."

Dr. James Simpson, Chief of Emergency Medicine

"PSFDH offers the best of both worlds: a rewarding and diverse medical practice in a welcoming community. Here, physicians are valued, supported, and empowered to provide the highest-quality care and to shape the future of local healthcare."

Dr. Peter Cunniffe, Chief of Family Medicine
