Diagnostic Imaging Required:

This referral MUST be accompanied by the imaging report; otherwise IT WILL BE RETURNED.

In the setting of Moderate to Severe Arthritis an MRI and Ultrasound are not required.

We REQUIRE the following specific X-rays, completed within the last six (6) months:

Hip:

1. **AP pelvis**
2. **Lateral of affected hip**

Knee: including BILATERAL WEIGHT-BEARING views
(please note that "routine" views of the knee ARE NOT weight-bearing)

1. **weight bearing AP**
2. **lateral flexed at 30°**
3. **skyline view**
